6:20 PM **me**: I'm done with them
6:21 PM and I made $250 from these people due to having gotten a total of 10,000 hits in the two blog posts I did on the subject, thereby pushing me above the 15,000 hits I needed this month to get $500 from T/S instead of just $250.
Andrew: for your last post
on the subject
6:22 PM you should just withdraw it all in ones and post a picture of you bathign in them

6:30 PM **me**: very good
